

Hi, My name is _____ and I'm an alcoholic.

Welcome to this online meeting of Alcoholics Anonymous. Hosted by a volunteer from the _____ Meeting. I have a few brief recommendations to ensure a better experience for all participants:

- Please keep microphones on mute unless called upon by the meeting chair or if you would like to comment.
- We also suggest that you use headphones to minimize the echo effect and to help maintain privacy.
- To ensure the anonymity of all members, please be away from others who are not members of AA.
- The chat function can be used to send a private message to the host if you experience technical difficulties or have Zoom-related questions.
- For the best experience use an Ethernet connection or Wi-Fi. Cellular data can be used as well, but the connections tend to be choppy. You may also dial in using a phone number.
- This meeting is limited to _____ participants.
- If you are on your computer please mute your cell phone.

AA's 7th tradition states that every AA group ought to be self-supporting, declining outside contributions. You may contribute to the _____ Meeting by sending donations to Venmo account _____.
